The Bi-Mart Eugene Challengers will once again be offering young men and women the opportunity to improve their skills in the game of baseball. Each summer these baseball enthusiasts work hard to understand the game and progress as players. This year, Camp Director Josh Riley and his exceptionally qualified and expert staff will make the 2017 Bi-Mart Eugene Challenger Camp both valuable and worthwhile.

The camp teaches each camper the best fundamental baseball training as well as a lot of fun. Through individual attention and interaction with Challenger Players on all areas of the game, instruction, position play, and game experience, each player will walk away from camp with great improvement of their skills. The comprehensive instruction combined with live action games will enable the campers to put the skills they learn to the test. Each camper will receive a t-shirt to remember this excellent experience, as well as free Admission to all Bi-Mart Eugene Challengers home games.

For the past 35 years, the Bi-Mart Eugene Challengers Baseball Camp has become known for being the best two weeks of instruction and fun in the state. We are extremely excited to work with your son or daughter to enhance their skills and promote their knowledge of the game.
